

CAPILIA FOR HER FINE & THINNING KIT

Amplifies hair density & stimulates hair growth

Hair loss in women is more prevalent now than ever before. Hormonal changes, diet, stress, chemical processes and general health can affect the condition of the hair and scalp.

This kit from Capilia Trichology line has been specifically developed for the needs of women's hair and scalp. Made with 100% natural ingredients including milk protein, amino acids and vitamin B6, Fine and Thinning Hair shampoo and serum stimulates dermal papilla cells, provides new vitality to your hair, revitalizes the scalp to counteract hair loss. To complete your care, the Intense Volume shampoo and conditioner work in synergy with the Fine and Thin Hair Shampoo and serum to provide additional thickness, density and shine to fine hair.

Consulting with a trichology expert is recommended for optimal results.
